INFORMATION ABOUT THIS SERVICE

Description

A live answering service manages all your calls; and works as an overflow, after-hours, or emergency answering service by redirecting your calls to our Australian-based call centre whenever you need it. Professional virtual receptionists answer calls for you, take messages and forward messages to you via email and even SMS if required.

LA plans have a set number of included messages and may be customised with feature add-ons.

All services listed in this Critical Information Summary are message-taking services only. Calls cannot be connected through to you, or otherwise redirected

Minimum term

There is a one-month minimum term for this service and we require 30 days advance written notice of cancellation.

Cancellations

Inclusions

We allocate a unique local phone number (DID) for each service which can be used to forward your existing landline or mobile calls; or can be used as an answer point for 1300/1800 numbers. This is an internal system number which is subject to change & remains the property of 1300 Number Australia. We strongly recommend that you do not advertise or publish your live answering DID number.
